

THE UNITED STATES CONFERENCE OF MAYORS
78th Winter Meeting
January 20-22, 2010
Capital Hilton Hotel
Washington, DC

AGENDA (As of January 20, 2010)

Note: Because mayors will be attending meetings in the White House on Thursday, and we will host major plenary discussions with First Lady Michelle Obama, Members of the Cabinet, and Congressional Leaders, all Standing Committee and Task Force Meetings will be postponed. These important meetings will be scheduled as conference calls after the Winter Meeting, during the upcoming Winter Leadership Meeting on February 24-25 in Washington, DC, or during the 78th Annual Conference of Mayors in Oklahoma City on June 11-15.

All Mayors will be seated in a special reserved section during all Plenary Sessions in the Presidential Ballroom to facilitate discussion. All other attendees will be seated in chairs behind the reserved section.

Overflow seating for the Plenary Sessions, Breakfasts, and Luncheons will be available in the Federal Room, which will feature simulcasts of the proceedings.

Topics to be addressed include strategies used in cities across the country that have proven effective in providing youth with work experience to create a skilled workforce, including engaging businesses and connecting with at-risk youth, as well as challenges to implementation of a successful program and lessons learned.
